COMPONENT SUPPLIER TO THE MARINE INDUSTRY

- ◆ All Dura-Cast Marine products are molded with Strong, UV stabilized, FDA approved Polyethylene Resins
- ◆ All Dura-Cast Marine products are warranted for 2 years
- ◆ Let's explore how rotational molding can save your company time and money on: custom/production applications currently produced in fiberglass, wood, fabricated steel or aluminum.
- ◆ Rotomolded polyethylene continues to be a proven material-of-choice for many boat building and marine industry applications
